

# Legitimate: On-Campus Programs

A comprehensive day of learning, interaction, and real-world insights

## Why Book A Legitimate On-Campus Program:

- Enhanced Learning: Up to 6 hours of tailored lectures, workshops, and interactive sessions.
- Flexible Scheduling: Sessions can be customized for a single class or dispersed among different year groups, ensuring a personalized learning experience.
- Expert Insights: Delivered by experienced professionals right at your campus.
- Real-world Application: Get a glimpse into the evolving landscape of journalism technology including a dive into generative AI.

## What's Included:

- In-depth Workshops: Topics ranging from creating a compelling journalistic portfolio to tackling disinformation in today's digital age.
- Interactive Lectures: Covering a spectrum of topics including entrepreneurial journalism and leveraging AI in journalism.
- Tailored Content: Sessions designed specific to the audience, ensuring relevant and engaging content.

## Pricing:

**\$3000.** This fee covers the program delivery, and travel costs for two Legitimate staff ensuring a hassle-free experience.

*\*\*Pricing covers North America, UK and Ireland*
